## How To #ShareIt for #Likelts and #Lovelts

**IMPORTANT:**

"I'm involved with a new project that has me so excited because it doesn't require any sales. I'd like to share it with you and I know you'll either like it or love it. If you like it, you want it. If you love it, you're like me and want to get paid on it and at that point I'll introduce you to someone who's helping me every step of the way."
